

support Smith. The next Town Council immediately reinstated the popular Smith.

During his tenure with the Department, Chief Smith has demonstrated a sincere love for the community in which he lives. While on the force, Smith was presented with the American Legion Life Saving Award for saving two men from drowning. While Chief Smith has dedicated considerable time and energy to his work with the Porter Police Department and protecting the lives of others, he has never limited the time he gives to his most important interest, his family. He and his wife Diana have two children, Todd and Molly.

On this special day, I offer my heartfelt congratulations to Chief Smith. His large circle of family and friends can be proud of the contributions this prominent individual has made to the law enforcement community and the First Congressional District. Mr. Speaker, I ask that you and my other distinguished colleagues join me in commending Chief Smith for his lifetime of service and dedication to the people of Northwest Indiana and the citizens of the United States. He worked hard to make the Town of Porter a safer place in which to live and work. I sincerely wish him a long, happy, healthy, and productive retirement.

TRIBUTE TO CAS CARES, INC.

HON. ROBERT E. (BUD) CRAMER, JR.

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2003

Mr. CRAMER. Mr. Speaker, I rise today to honor a company headquartered in my hometown of Huntsville, Alabama which is presenting a \$20,000 check to Huntsville's Community Free Clinic to help the Clinic sustain its free prescription drug program. This donation is not only significant because of the help it will provide Huntsville residents who cannot afford prescription drugs, but it also marks the \$1 million milestone for the company's charitable grants.

The employees of CAS and its leaders, Bill Stender and Fred Clark, are to be commended, Mr. Speaker, for this great accomplishment. In 1991, the CAS employees and management organized a non-profit entity called CAS Cares, Inc. in order to promote volunteer activities and provide funding to local charities in our North Alabama community as well as the Texas and Virginia communities that are home to CAS branch offices.

In the Huntsville community alone, CAS Cares has given grants to over 60 charitable agencies in the past twelve years. Over 85% of all CAS, Inc. employees donate to the CAS Cares program. In February, a committee of CAS employees reviewed the grant applications for 2003, which will result in over \$130,000 in assistance for charities this year alone.

Mr. Speaker, I believe CAS, Inc. serves as an example to businesses across the nation, and I am pleased that Huntsville is home to such an outstanding corporate citizen. I send my sincere congratulations to the management team and employees at CAS, Inc. for their \$1 million milestone today that continues to make a difference in the lives of many North Alabama residents.

RECOGNIZING CAPTAIN ANDREW D. LA MONT, USMC, WHO WAS KILLED IN ACTION IN IRAQ 19 MAY 2003

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2003

Mr. THOMPSON of California. Mr. Speaker, it is with a heavy heart that I rise today to pay tribute to Captain Andrew D. La Mont, USMC, who was killed in action in Iraq, 19 May 2003. Captain La Mont, a 32-year-old resident of Humboldt County, California, answered his country's call and paid the ultimate price.

Captain La Mont served as a pilot with the Marine Medium Helicopter Squadron 364, Marine Air Group 39, 3rd Marine Aircraft Wing. His CH-46 Sea Knight helicopter was on a resupply mission in central Iraq when it crashed into the Shatt Al Hallah River. All four crewmembers perished, as well as a Marine Sgt. who drowned trying to rescue the crewmembers.

Captain La Mont was born at Andrews Air Force Base in Washington, DC, and moved to Humboldt County when he was 2 years old. He loved his country and chose to serve in the Marines Corps. He entered the Marines as an officer following graduation from San Diego State University, ROTC program. He served in Desert Storm and is a hero to his family and to the nation. He had a special influence on the life of his nephew, Sgt. Christopher La Mont, who is also serving in Iraq.

Captain La Mont is one of nine children born to Lt. Col. (Ret.) James and Mrs. Vivian La Mont. Lt. Col. James La Mont was a career officer in the United States Air Force.

Captain Andrew D. La Mont's tragic death reminds us that however just the cause, war brings tragedy to many families and that any casualty is one too many. He died serving the country he loved, with comrades he loved and with the love of his family in his heart. Our nation is humbled and grateful for his sacrifice.

Mr. Speaker, it is appropriate at this time that we recognize Captain Andrew D. La Mont, USMC, who gave his life in service to his country.

HART-DOLE-INOUE FEDERAL CENTER

HON. NICK SMITH

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2003

Mr. SMITH of Michigan. Mr. Speaker, the newly renamed Hart-Dole-Inouye Federal Center has long been a Battle Creek landmark. Under many names, from the Sanitarium to Percy Jones, to the Federal Center to the Hart-Dole-Inouye Federal Center, it will continue as a historic site serving the community and the nation.

Ever since its opening as a nationally renowned health center started by John Harvey Kellogg, brother of cereal pioneer W.K. Kellogg, the Hart-Dole-Inouye Federal Center has proudly served the State of Michigan and the United States. Purchased by the U.S. Army in 1942 the Sanitarium became the Percy Jones Army Hospital. The hospital, specializing in

neurosurgery and the fitting of artificial limbs, treated over 100,000 WWII and Korean war veterans. The many veterans served here include the late Senator Hart, Senator Bob Dole, and Senator Inouye.

Today, the Hart-Dole-Inouye Federal Center provides vital support to our nation's war fighters as part of the Department of Defense. The Center serves as the premier facility for the cataloging of 6.5 million supply items needed by the U.S. military as well as the re-utilization and disposition of those items upon their federal obsolescence.

As a nation we can be rightly proud of the work done here by the highly trained and award-winning workforce who serve within these historic walls. I am honored to have such a facility in my district and look forward to another 100 years of history being made.

"CODE ADAM" CHILD SAFETY PROGRAM

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2003

Mr. PALLONE. Mr. Speaker, as the father of three young children, I know the feeling of horror that a parent can face when you are out shopping with your kids and you turn around, only to realize your child has disappeared. In most cases, you find them in a matter of moments. They could have been distracted and wandered off or even may have been hiding in the racks of clothing.

However, what if the unthinkable happens? What if they can't find them? What option does a parent have?

Code Adam is a special alert issued through a store's public address system when a customer reports a missing child. Code Adam, which was created by Wal-Mart, is a special alert issued through a store's public address system when a customer reports a missing child. A brief description of the child is obtained and provided to all designated employees who immediately stop their normal work to search for the child, and monitor all exits to help prevent the child from leaving the store. If the child is not found within 10 minutes of initiating a storewide search, or if the child is seen accompanied by someone other than a parent or guardian, store personnel contact the local police department and request assistance.

The Code Adam measure was established by Wal-Mart and Sam's Clubs and named in memory of six-year-old Adam Walsh, whose abduction and murder in 1981 brought the horror of child abduction to national attention. Since the program went nationwide in 1994, it has been a powerful preventative tool against child abductions and lost children in more than 40,000 stores and public buildings making it the largest child safety program in the nation.

Over the past year, child abduction has once again been brought to the forefront of public attention. It is critical that retailers and parents alike remain engaged and committed to protecting our children.

I am encouraged by new survey results released this week by the National Center for Missing and Exploited Children (NCMEC) and ADVO, Inc., which showed more parents are
